

Resolution 06/2018

USE OF SEMINARS IN CHEMISTRY

The Coordinating Committee of the Graduate Program in Chemistry at the Federal University of Rio Grande do Sul, at a meeting held on August 21, 2018, in the use of its attributions,

DETERMINES

To request the use of seminars attended in other Graduate Programs, Scientific Events, and/or Technical Lectures, the following criteria must be followed:

Art. 1 - The theme of the seminar to be used must deal with the area or area related to chemistry.

Art. 2 - The applicant must present to the Secretary a printed/digital copy of the Seminar Use Form, duly completed and signed, accompanied by the appropriate proofs and/or certificates containing title, speaker, duration, and a summary of the seminar.

Sole paragraph. The documents presented must be signed and certificated by the Department and/or Institution or Body responsible for the seminar.

Art. 3 - Students who participated in regional, national, or international scientific congresses in the area or an area related to their theme of master's dissertation or doctoral thesis (duly evidenced by the presentation of participation certificate), but who did not present proof as recommended o Art. 2 of this resolution, may only request the use of 1 (one) seminar.

Art. 4 - Situations other than those specified in this resolution will be analyzed by the Graduate Committee.

Art. 5 - This resolution revokes Resolution 11/2017.
