

Resolution 12/2014

TEACHING PRACTICUM

The Coordinating Committee of the Graduate Program in Chemistry at the Federal University of Rio Grande do Sul, in a meeting held on September 19, 2014, and by the Regulation of the Academic Excellence Program - PROEX (Ordinance No. 034, of May 30, 2006) and in the use of its attributions,

DETERMINES

Art. 1 - Make the teaching internship mandatory for all postgraduate scholarship holders, observing the following criteria:

§1° - The teaching internship will be mandatory for students who have a scholarship quota of the program, attending the doctorate and the Masters, with the following workload:

- (i) Master's students will fulfill a workload equivalent to 1 (one) credit (15h).
- (ii) doctoral students will fulfill a workload equivalent to 2 (two) credits (30h);

§2° - The activities of the Teaching Internship must be compatible with the research area carried out by the graduate student.

§3° - Teaching activities cannot be performed in subjects taught by the student's advisor.

Art. 2 - This resolution is valid from September 19, 2014
