

Resolution 12/2017

COURSE OF STUDY: SEMINARS IN CHEMISTRY

The Coordinating Committee of the Graduate Program in Chemistry at the Federal University of Rio Grande do Sul, in a meeting held on July 26, 2017, in the use of its attributions,

DETERMINES

Art. 1 - That the definition of the professor will occur annually according to the professors at the Graduate Program in Chemistry.

§1º - Each class will have a maximum of 10 students, being necessary to open additional classes if there is an excess number of students enrolled. In this case, the number of students will be equally distributed among the created classes.

§2º - This course of study will be taught on a rotating basis, where a professor is not be allowed to stay for more than 2 (two) consecutive and/or alternate semesters.

§3º - The professor must have the status of Permanent Professor of the Graduate Program to teach this course of study.

Art. 2 - Situations other than those specified in this resolution will be analyzed by the Graduate Committee.

Art. 3 - This resolution is valid on the date of its approval.
